Study Buddy

Team 1

Now

- Studying alone?
- Want to exchange, notes and knowledge?
- Want to meet people not necessarily from your uni?
- Too shy to ask people to study with you?

Find your local study buddies!

- Search for study sessions around your location
- Browse sessions by topics
- Meet people in your community
- Share your knowledge and learn from other people

Brings students from local community together, cross universities
and promotes sharing knowledge around students
